

Vacational Studies and National Citizen Service (NCS)

'Meet the Brits'

The NCS is a UK Government-funded scheme to help young British people build skills for work and life while taking on challenges.

One of the challenges will be for a group of 12 British boys and girls aged 15-17 to meet an international group of our young people and talk with them to find out about them and their lifestyles.

There will be two meetings:

Saturday 16th July 13:45 - 16:45

Sunday 17th July 13:45 - 16:45

The 12 young people will be accompanied by a Senior Mentor and Photography Practitioner.

The purpose of each visit will be to meet our Course members and to discuss culture, national identities and their experience of visiting Britain. The British group will also capture a photographic record of their visit which will be shared with us.

A question that I shall ask our boys and girls to ask our British visitors is: 'What do you think makes you British?'
